

SUPPORT IN THE COMMUNITY

Community Living & Respite Services has provided support to people for 40 years and has extensive experience delivering support in the community. We understand that people with disability value being part of the community, and recognise that developing and maintaining independence and choice and control is important.

Our dedicated and caring staff will help you with a range of tasks to assist you to participate in your community. Our staff can assist you to learn new skills, increase your independence and improve your access to the community.

This may include assistance with becoming more independent, shopping, attending appointments and accessing new activities in your community.

We will work with you to arrange supports at the time that suits you best.

NDIS funding or your My Aged Care package may be used to pay for the staff support that you require in your community.

To speak with one of our friendly team, please phone 03 5480 2388 or email support@clrs.org.au
