

## Direct Support Professional – Residential

Community Living & Respite Services is recruiting Direct Support Professionals (DSPs) to assist in providing direct support to adults engaging in our social enterprise, Recyclability.

Recyclability is an inclusive volunteer based social enterprise involving people of all abilities, encouraging reuse and recycling.

All of our staff are expected to provide support in line with the NDIS Code of Conduct, promoting choice and control and help clients to achieve personal goals. As a staff member some of the tasks you will support clients with are:-

- Collecting donations via the kerbside collection and donation bins
- Sorting and pricing donated goods,
- Delivering flyers and biodegradable bags
- Cutting and bagging rags for sale
- Retail sales through the op shop and stuff sales at the shed
- Creating upcycling ideas and furniture refurbishment.
- Provide personal care, meal support and respond to challenging behaviours.

This position reports to the Program Leader for Recyclability.
