

# SHORT TERM ACCOMMODATION ASSISTANCE

Alexander House, is centrally located in High Street Echuca. We provide a homely and fully accessible environment, catering to individual needs including people with high physical support needs. An accessible outdoor area has BBQ facilities, play equipment and a large trampolining mat which is enjoyed by people of all ages.

Alexander House is open 7 week days. Support is flexible, and tailored to individual needs. You may stay for a night or for a week; or have regular weekly bookings. Support may also be provided on an emergency basis. Support is provided for specific groups including girls weekend, kid's night and children's weekend. Up to six people can stay at Alexander House per night.

Activities are planned based on the interests, needs and goals of those staying in the house. Our aim is that staying at Alexander House is an enjoyable experience for you.

The services provided at Alexander House support pathways to independence and the transition from home to community and independent living supports. Services also assist carers to maintain their roles as primary carers.

When staying at Alexander House we support you to work towards the goals within your NDIS Plan. NDIS funding may be used to pay for the staff support that you require.

If you're looking for independent living options or supported accommodation, our dedicated staff can help find the option which suits you or your family member.
